

EAR-9511
COPY 1 OF 1

ILLEGIB

13 August 1964

Dear Frank:

In confirmation of the information presented by this contractor's personnel during the 11 August 1964 Conference conducted at the SPO, this contractor offers herewith a budgetary proposal (cost type) in the amount of \$1,550,000. to develop the Mission Planning and Preparation structure for the R-12 Weapons System.

Basically the software required to implement the task will be written for use at both the MPC/CPC (3200 Computer facility) and Strategic Air Command Headquarters (7090/4 Computer facility). It is to be noted that no hardware will be developed or purchased as part of the MPP task.

This contractor trusts the above information will prove adequate to your immediate requirements. In the event additional information is required, please contact either [redacted]
[redacted] Thank you.

Regards,

[redacted]
